James **McGoldrick**
Cyberspace Operations Officer

James McGoldrick · jmcgoldrick2@gmail.com · Belleville IL · 862-324-2563

Synopsis

- IT project manager and Software Engineer
- Background in Computer Science and Cyber Security across software lifecycle
- Industry liaison with Boeing, Northrop Grumman, Palantir, and 10 other businesses
- Focus in aviation mission systems and DoD Open Mission Systems standards
- Experience managing 60+ person teams and $10M+ portfolios

Skills

- Agile Methodologies
- CI/CD Pipelines
- Change Management
- Conflict Resolution
- Containerization
- Container Orchestration
- Computer Vision
- DevSecOps Principles
- Documentation Generation
- Distribution and Licensing
- Information Protection
- Machine Learning
- Operational Security
- Operations Continuity
- Process Improvement
- Performance Monitoring
- Remote Team Management
- Resource Management
- Version Control

EXPERIENCE

Jun 25 – Present — **Interim Lead Software Engineer**
GHOST AGILE RELEASE TRAIN · Scott AFB, IL
In addition to Deputy Branch Chief duties, served in a dual capacity as Technical lead on two contracts totaling $15M in annual allocations. Engineered and directed creation of 29 dynamic mission planning applications and critical tactical edge data services. Leveraged agile principles and extreme programming framework to rapidly integrate with 23 directed systems.

Mar 24 – Nov 24 — **Interim Branch Chief**
CONJURE (RAPID PROTOTYPING) BRANCH · Scott AFB, IL
In addition to Deputy Branch Chief duties, served in a dual capacity as adminstrative lead and technical lead for nine months. Managed execution of $200K annual operational and capital expenses budget. Directly supervised six individuals across two performance management and appraisal systems.

Oct 23 – Present — **Deputy Branch Chief | Operations Lead**
CONJURE (RAPID PROTOTYPING) BRANCH · Scott AFB, IL
Managed a 61-member organic Software Development team, creating dynamic mission planning applications and critical data services. Leveraged agile software development principles to rapidly provide capabilities to AMC, ACC, and AFGSC aircrews. Advised Branch Chief on how to maximize subject matter expertise across six response teams. As deputy, assumed all branch leadership responsibilities as dictated by the Branch Chief.

May 23 – Oct 23 — **Phantom Program Manager**
DAF-MIT AI ACCELERATOR · Cambridge, MA
Analyzed program performance coordinated activities across 30 fellows spanning 3 cohorts. Organized and facilitated communications between military permanent party, MIT instructors, Lincoln Lab researchers, and phantom fellows. Collaborated with executive team to ensure program alignment with instituion objectives. Solicited fellowship applications and reviewed 350 applications per cohort.

EDUCATION

2024 — **Computer Security and Information Assurance**
MS · WGU
School of Information Tech.

2022 — **Computer Science**
BS · USAF Academy
3.6 GPA
Spanish Language Minor

TRAINING

2022 — **Undergraduate Cyber Warfare Training**
17DA · 333 TRS
3.9 GPA
Distinguished Graduate

RECOGNITION

Year	
2025	Division CGO of the Year
2025	Operating Location CGO of 3rd Quarter
2025	Operating Location CGO of 1st Quarter
2024	Division CGO of the Year
2024	Operating Location CGO of 4th Quarter
2024	Division IT Professional of the Year
2023	Division CGO of 4th Quarter
2023	Air and Space Commendation
2023	Distinguished Graduate, UCWT
2023	Top Contributor, UCWT
2022	Top Cadet, CS 454
2022	Top Cadet, CS 467
